Dear colleagues

We are organizing the sixth International 'Black and White' Theatre Festival which will be placed in Imatra, Finland on

27 - 29 of May 2009

The theme of the festival will be 'Katharsis'.

The annual festival is organised by the Theatre of Black and White which was established in spring 2003 in the town of Imatra, located in South-East Finland close to the border of Russia.

At the moment our festival is rather young and the members of our organisation are working as volunteers with a very small budget, so we can pay small salary for the participants. The precise amount can be announced after we've made the final decision of the performances which we will invite to our festival.

However, your transportation in Finland, low-cost flights within Europe and your accommodation in Imatra will be covered by the festival organisation. Also you will be offered 3 meals per diem. The participants' fare from outside of Europe should be covered by themselves or by their national funding bodies.

If you are interested in performing at the festival, please send an informal application and support materials to:
